WORLD MISSION DAY TODAY. Pope Francis appeals for spiritual and financial support for our overseas missionaries. The Pandemic has made the work of our missionaries so much more difficult. In the poorer and more remote countries of Africa, Latin America and Asia, it is the missionaries who are on the front line. Our support of our Missionaries will provide them with essential aid to help them to relieve suffering and distress. Thank you for your generosity

You might think that you don't matter in this world, but because of you, someone has a favourite mug to drink their tea out of that you bought them. Someone hears a song on the radio and it reminds them of you. Someone has read a book you recommended to them and gotten lost in its pages. Someone's remembered a joke you told them and smiled to themselves on the bus. Never think you don't have an impact. Your fingerprints can't be wiped away from the little marks of kindness that you've left behind.
