### Reflection: Death Overcome:

As long as the sun comes over the hills, scatters the darkness, and fills the world with light: as long as the fields get green again, and the primroses and violets return; as long as the trees fill up again with leaves, there is hope for us and for the world.  
 So come, let us follow the footsteps of spring, for the snow has melted, and life is awakening from its sleep and wanders through the hills and valleys.  
 Come, let us ascend the heights and gaze upon the waving greenness of the plains below.  
 O Come, let us rejoice on this Easter Day, for death has folded up its tent and gone away.

### **Jesus You Are With Me**

Jesus, you give us the hope of eternal life. I trust in you as you guide me safely through life. In my experience of emptiness, insecurity and fear, I turn to you in your everlasting love and friendship for me and for every person. As I ask myself where I am to go and what can I do, I come to you because you have promised to be with me always. Jesus, I trust in your never failing mercy and love. I know how much you love me. You healed the sick, the deaf, the lame and the blind. As I turn to you, I ask for healing and strength. In my faith in you, I hear your words, 'Don't be afraid' (Luke 8:50) Jesus, strengthen my faith.

**Good Luck
