Reflection: The 'Loser's' Blessing

Lord, bless the folk who never quite got there;
The people who intended something fine.
The folk who might have lived a better, nobler existence;
The ones who somehow always failed to shine.
The people who tried to keep their temper;
And yet who seemed to lose it all the more.
The one's who haven't made their name in business;
Who should be rich but always will be poor.
The folk who aren't as clever as they might be;
Who aren't as good and feel their efforts vain.
Lord, bless all these -and me among them
And give us all the heart to try again.

Fr Ronan Drury RIP

When a flashlight grows dim or quits working, do you just throw it away? Of course not. You change the batteries.

When a person messes up or finds themselves in the dark place, do you cast them aside?
Of course not! You help them change their batteries.
