Reflection:

Blessed are we in times of darkness.
At times in life, we will all experience confusion and darkness. This should not over worry us.
It is in our emptiness that we are filled.
It is in our confusions that we are guided.
It is in our weakness that we are strengthened.
It is in our failings that we are forgiven.
It is in our hunger that we are fed.
We believe that God has a homeland prepared for us where all our hungers will be satisfied and all our hopes will be fulfilled. So, we travel onwards with joy in our hearts and a spring in our steps. And with a great desire to live life to the full.
