Reflection

May your mornings bring joy and your evenings bring peace.
May your troubles grow few as your blessings increase. May
the saddest day of your future
Be no worse than the saddest day of your past.
May your hands be clasped in friendship
And your hearts joined in love.
Our lives are very special.
God has touched us in many ways.
May his blessings rest upon us
And fill all our coming days.

Throughout Ireland there are countless Mass Rocks where people gathered to celebrate Eucharist and to break the bread of life for each other. Those places are holy ground made sacred by the faith and love of the people who gathered there. We remember our ancestors for the love they had for the Eucharistic presence of Jesus among them.
