YOU ARE MORE

You are more than a number,
You are more than a grade on a paper or a score on a text.
You are a special person,
A person with unique skills, gifts and talents,
A person with feelings, you get excited, happy, angry, sad.
You get frustrated when you don't get the results and sometimes you worry too.
You are a person with hopes, dreams, plans.
You are more than your results in an exam.
Please remember, you are special.
