YOU ARE A VERY IMPORTANT PERSON

Even though the typewriter is an old model
It works quite well except for one key.
It has wished many times that it worked
perfectly:

It is true that there are forty one keys
That do function well enough.
But just one key not working
Makes the difference.

Sometimes a parish community is somewhat
Like this typewriter.

Not all the people are working properly.
You may say to yourself
Well, I am only one person
I won't make or break a project.
But it does make a difference

Because any project, to be effective,
Needs the participation of every member.
So next time you think you are only
one person

And that your efforts are not needed
Remember this typewriter and say to yourself
I am a **KEY PERSON** in this parish community
And I am **NEEDED VERY MUCH**.
