HAPPY NEW YEAR

Standing at the Gates of a New Year

Sacred Mystery,
waiting on the threshold
of this new year,
you open the gates
and beckon to me:

"Come! Come!
Be not wary of what awaits you
as you enter the unknown terrain,
be not doubtful of your ability
to grow from its joys and sorrows.

For I am with you,
I will be your Guide,
I will be your Protector,
You will never be alone."

Guardian of this new year,
I set aside my fears, worries, concerns,
I open my life to mystery, to beauty,
to hospitality, to questions,
to the endless opportunity
of discovering you in my relationships,
and to all the silent wisps and wonder
that will draw me to your heart.

I welcome your unfailing Presence
and walk with hope into this new year
- Joyce Rupp

Gracious God,

I thank you for the
assurance that you
will never be far from
me. Help me to find
the path you have
set for me
and give
me the courage
to walk it.

Meister Echart

Grant us warmth
grant us calm
grant us hope
on our journey
into a New Year.

New Year

Good and gracious God,
Help us to be bearers of your Love
And heralds of your Word
In this coming year.

We ask for your strength
As we commit ourselves to work for
Respect for the earth,
Peace for its people,
Love in our Lives,
Delight in the good,
Forgiveness for past wrongs
And from now on a new start.

We bind unto ourselves this day
The strong name of the Trinity,
By invocation of the same,
The Three in One and One in Three.

Amen
