How To Please Everyone

A man and his grandson went on a journey, walking and leading a donkey. Soon they met a man who said, "How foolish for you to be walking. One of you should be riding the donkey." So the man put his grandson on the animal.

The next traveller they met frowned and said accusingly, "How dreadful for a strong, young boy to be riding while an old man walks." With that, the boy climbed off the donkey and his grandfather climbed on.

The next person down the road, however, said, "I just can't believe that a grown man would ride and make a poor little boy walk." So the man pulled the boy back aboard and off they rode on the donkey together.

That is, until they met the next fellow who screamed, "I never saw anything so cruel in all my life. Two intelligent human beings riding on the poor little scrawny donkey." They dismounted, picked up the donkey and carried it down the road.

Down the road a piece from there our trio met a couple of men travelling together. When the parties had passed, one of the men turned to the other and said, "Did you ever see two fools carrying a donkey before?"
How to please everyone? Don't even try! Just try to please God.
